Experience

INA.
AUG 2024 – OCT 2024.

- Designed and developed the official website for the Congreso Nacional del Café 2024 using HTML, CSS, JavaScript, and WordPress.
- Created a responsive, visually appealing interface that showcased event details, speaker profiles, schedules, and registration functionality.
- Integrated user-friendly navigation and interactive elements using React components to enhance user engagement.
- Collaborated closely with event organizers to ensure the design aligned with branding, goals, and audience expectations.
- Improved website performance and accessibility, optimizing for both desktop and mobile users.
- Successfully delivered the project under tight deadlines while balancing academic commitments.
